

# 2017/2018 Application Form

April 10, 2017 to March 23, 2018

The Kids Recreation Fund provides Yukon families with a lower income an opportunity to apply for funding for their children to participate in sport and recreational activities.

To be eligible, we must assess three things: your family net income level, your family/marital status (to determine total family income), and Yukon residency. A tax return, Notice of Assessment, Child Tax Benefit Notice, Social Assistance budget notice, and other documents can be used to assess most requirements. Until December 31, 2017, we are able to use your child's Yukon Health Care Card to assess Yukon residency. Please read our guidelines for specific income requirements.

Please fill out one application per child, each time you apply for funding. Please fill out all applicable fields – incomplete applications will not be accepted. **You must fill out both sides of this application.**

**Please submit your application to:**
