GOOAAALLLL!

Soccer

With a lack of goals a concern for the Yukon Boys soccer team, coach Victor Lavanderos made changes to the starting 11 for Thursday's match against Saskatchewan.

With the boys behind after a 29 minute goal, the changes paid dividends as the boys leveled the match in the 32 minute. With a simple play of moving the ball wide Brendan Irish chipped a nice cross in to Mike Wintemute - who was able to put a touch on it. The ball rolled inside the 18 yard box space for Belgie Nunez-Zuniga to run on and rifle the ball home.

The 30 odd Yukon supporters in the stand erupted with cheers after the goal. However, Saskatchewan finished off a scramble in the box after Timber Schroff had stood on his head in making 2 quality saves.

At the start of the second half, Saskatchewan was able to capitalize on a quick goal and went on to stake a 5-1 win.

The boy's next game is Friday morning at 10am against rival NWT.

Weather

Today

High 22

Low 13

Tomorrow

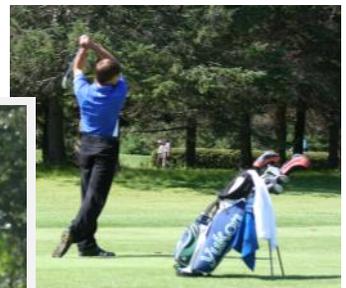

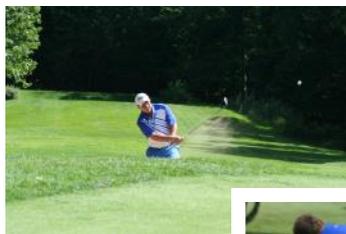

High 23

Low 11

Golf

The second round of golf was a lot more fun; the sun cooperated and the Yukon men came out more confident. Scoring 97,92 and anchored by Trever Harris' 85. The team was matched up with PEI and NWT. James McGrath' highlight was finishing with a birdie on 18 in front of the crowd. James was in spirits today and was overheard trying to exchange an apple for a potato with his PEI counterpart.

Closing Ceremonies:

For the closing ceremonies we are planning on wearing the **purple hoodie** and the **walkout shorts**. Make sure you **DO NOT** trade these items until after the ceremonies.

	21:00		MEDAL CEREMONY	All	Athletics	Universite de Sherbrooke

Canoe-Kayak

Yesterday was the last canoe kayak race with Andrew Crist and Jason Zrum racing in the K-2 short 200m sprint race. With a rocky start on the morning prelim the boys finished their heat in fourth place. In the afternoon the team got to race in lane 4 as they had usually been in lane 1 or 5. In the afternoon consolation final the boys started the race in windy conditions to finish with the same time as the morning and moving up to 8th place, proudly displaying the Yukon flag on the back of the Kayak. Way to go Team Yukon. The final event of the day was a tribute to the Canadian Canoe and Kayak Commodore with a war canoe salute and then a race. Four war canoes were represented by Team Alberta, Team BC, Team Quebec and the last one made of athletes from each province and territory, including Andrew and Jason. It was an amazing 200m race, with incredible synchronization of the paddles. It was a first for both boys to paddle in this type of vessel. Thank you Sherbrooke for four amazing days of racing at Lac de Nations.

Athletics

Logan Roots ran a great 1500 m and set a new personal best time of 3.59.95 well done. The female relay team ran the B final on their own, they improved on their previous time.

Max Clarke competed in the javelin and Emily Oettli competed in the discus. The team will be cheering on the relay team, Brittany and the Logan's in the 5000m today.

Jessica Frotten won 2 bronze medals in her races yesterday for Team Saskatchewan! Congratulations!

Road Cycling

Road Cycling had a day off yesterday. Today they have a practice in preparation for tomorrow's criterium.
