Closing Ceremonies

Road Cycling

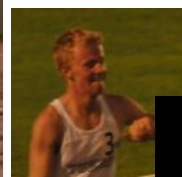

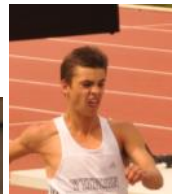

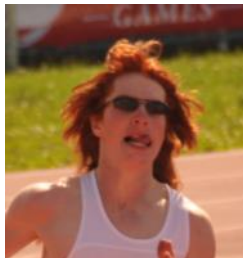

Shea and Melanie put great effort in to yesterday's Crit, the final race of this games. The races were very fast and aggressive but both Mel and Shea steered clear of any crashes and gained even more valuable experience. Its been a great week of racing here in Sherbrooke with world class courses and competition. Till next time, stay classy Yukon!

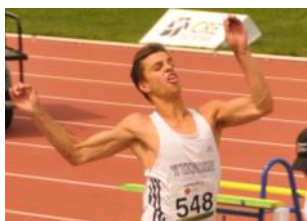

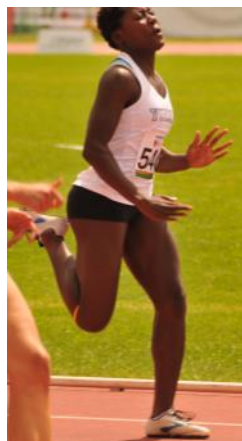

Golf

Our golfers were out and wanted to make up 12 points to tie NWT. Unfortunately the Green monster was not nice to Trever. Parker was equal to himself and James finally found his grove and shot an 84. This earned James the full Nunavut narwhale set from his mission staff. All in all they did make up six points but that was not enough to catch their new friends.
