

2016 Arctic Winter Games

Uniform Tender Package

November, 2015

Team Yukon Uniforms **2016 Arctic Winter Games**

General Requirements:

This is a tender to supply some portions of the walkout uniforms for Team Yukon, who are attending the Arctic Winter Games in Greenland in March of 2016. We are looking for a combination of items that will provide team clothing for athletes, coaches, managers, and support staff. This clothing will not necessarily be worn in any competitions, but will in some cases, be utilized as warm up gear over competition uniforms. We are looking for items that are both appealing and functional to our team members. The team is comprised of both males and females from early teens to adults. Since a majority of the team is young adults, we encourage tenders to include suggestions that will appeal to this group. The clothing should also provide post games wear ability.

In conclusion, please don't hesitate to come up with something unique, innovative, and fun. The uniform does not necessarily have to look sporty, but does need to be functional. Please keep in mind that Greenland is a cold climate and warmth of pieces should be considered.

Specifications:

Quantity	Approximately 325 uniforms
Sizes	Ranges from youth size large to Men's size 3XL Unisex and/or gender specific depending on piece.
Colours	Primary – Black and Red, White and Purple All colours do NOT have to be used in the design.

Suggested Items of Clothing:

Sweat pant or track pant: Heavy weight cotton or alternative

Long Sleeved Shirt: Cotton, Bamboo, or poly.

Inner jacket/Hoodie: A warm piece to serve as an inner jacket

Toque: Must be warm and contemporary

Buff: For warmth and accessory

Material and Design:

We are leaving a lot of latitude for the suppliers to suggest material and designs that are compatible with their product line.

Embroidery and Silk screening:

All items will be embroidered or screened with the Team Yukon logo. This logo has yet to be determined but will be similar to the one on the front cover.

Sizing/Samples:

We require a complete set of sizing samples for each piece of uniform. All sizing samples must be the identical size of the final product. Sport Yukon reserves the right to deny orders that fall outside this requirement. Samples must also represent the style, fabrics, and colours proposed. Samples are due on **November 30, 2015**.

Delivery:

Sport Yukon must receive the order no later than **February 15th, 2016**.

Price Guideline:

We would like to keep the total price for a complete wardrobe at **\$150.00 FOB Whitehorse**. We require a price breakdown for each separate piece in the package. You have a choice to submit for portions of the wardrobe, or the entire wardrobe.

Selection Process:

We are offering a great deal of flexibility in the proposals. We will select the supplier(s) who can provide the best value, with due consideration to quality and best overall suitability for our needs and budget. We will then work with that supplier to finalise the particular items, styles, colors and other details. We will consider choosing different pieces from separate bids to develop the entire wardrobe.

Tenders:

Tenders, along with initial samples (not the full size set but items), are to be received by **November 30, 2015**.
