

2018 ARCTIC WINTER GAMES

ELIGIBILITY REQUIREMENTS

**2018 ARCTIC WINTER GAMES
ELIGIBILITY REQUIREMENTS**

Athlete or Cultural Participant

Citizenship: Must be a Canadian citizen, a permanent resident of Canada, or an individual whose family are in Canada on work visas.

Residency: Must be a continuous resident of Yukon for six (6) consecutive months prior to the opening day of the Games. The effective date is September 16, 2017.

Students: Students attending an institution outside of the Yukon must also comply with all eligibility requirements prior to the start of the school year, and must maintain their principle residence in Yukon.

A resident of a participating Contingent, who is attending school outside the Contingent is deemed to be a continuous resident of her/his Contingent and is eligible to compete for her/his residence Contingent, or the Contingent in which s/he is attending school (if a participating Contingent) but not both.

An individual who is a resident of a jurisdiction not eligible to compete at the Games; but who lives in a participating jurisdiction as a student, or who is there on a temporary work visa, or who is otherwise temporarily living in a participating jurisdiction; is not considered a resident of the participating jurisdiction and is therefore ineligible to compete in the Arctic Winter Games

Age: Must be at least nine (9) years of age as of the opening day of the Games. The effective date is March 16, 2018.

Athlete: Must not have been a member of a national team in the sport in which she/he is competing, nor competed in, nor have been selected for an international competition as a representative of her/his country in the sport within one year of the opening date of the Games. (Sports without a National Sport Governing Body are exempt from this rule).

Event/Rules: Must compete in one sport only and comply with all other rules and regulations as outlined in the sport technical package and the AWG staging manual.

Meet individual sport requirements as per the technical package

Must be members in good standing with their respective Yukon Sport Governing Body.

Trials: Must participate at sport trial(s) in order to be selected to any team. Exceptions to this rule will be permitted only upon review and approval by the Games Committee. Exemptions may be granted for the following reasons: injury, illness, Yukon school program commitments and special family circumstance. In order for an exemption to be considered, an application for exemption must be submitted to the Sport and Recreation Branch forty eight (48) hours prior to the start of the specific sport trial. Where there are special situations making attendance impossible, which could not have been anticipated, these will be considered individually by the Games Committee.

Once an athlete is selected to a final team roster in a sport, he/she will not be permitted to participate in other trials as an official competitor. Vacant spots on any team cannot be filled after the trials unless the vacancy jeopardizes team competition within the sport, such as in relays or team sports.

If a participant is interested in trying out for two different sports, and those sports are having their specific sport trials at the same time, the participant must choose between the two sports. Consecutive trial dates and times are not grounds for trials exemption.

Post Trials: Following selection to Team Yukon, an athlete must commit to and follow a training program acceptable to their coach and the Yukon sport governing body.

All athletes 18 years or older are required to submit a RCMP criminal record check. Results of checks completed one year prior to the start of the Games are considered valid. The effective date is March 16, 2017.
