i) MEDIA:

Throughout the course of the Games you may be asked to talk with the media. In some cases this will be arranged through the mission staff, coach or manager. If this is not the case please make them aware of the request.

The media are looking for the best possible story. They are not only concerned with the winners, they are looking for intriguing stories about interesting people, controversial situations, and special angles. If you present yourself and your team in a positive manner, it will bring good publicity to you, your team, and your sport. Here are some tips to help you prepare!

- ◆ BE PREPARED – Spend some time thinking of which questions you may be asked before, during, and after the competition. Think about some stories or issues that may arise and how to deal with them if asked for an interview. If you are unsure why you are being interviewed, ask the interviewer before he or she starts.

TEAM YUKON ADMINISTRATION

- ◆ ANTICIPATE THE QUESTIONS – Questions asked in an interview should not be a big mystery. You can anticipate most of them and have your answers ready.
- ◆ LISTEN TO THE QUESTION – Many of the questions asked are not really questions. Any questions that start with “Do you think” or “Isn’t it true that” are not as tough as they sound. You can answer the questions briefly and then move on to your message, no matter what the question. If you get a question like, “What was good and bad about the Games”, answer the part you want to answer and ignore the other part unless you are asked again.
- ◆ GIVE YOUR POSITION – Do not allow interviewers to put words in your mouth. If you have a position on an issue, state it clearly. If they try to get you to change your position, keep coming back to your message. It is also a good idea to think of different ways to deliver your message.
- ◆ STAY IN CONTROL – There is nothing to fear in an interview. You are in control. No one can make you say anything that you don’t want to and you only have to offer as much as you want.
- ◆ BE POSITIVE – No one likes someone who is complaining about things, such as the way that you think things were organized. No matter how you feel, think of something positive to say in every situation.
- ◆ SIGHT BITES – Someone who makes an embarrassing or inflammatory gesture or remark is liable to become a sight bite. The cameras and microphones are always on, and you do not want to do or say something that could embarrass you or your team.
- ◆ DIFFICULT SITUATIONS – If you run into a difficult situation, saying nothing is the worst thing that you can do. It gives the journalist the opportunity to assume the worst and write whatever they want. Whether you get your message across on a written statement, press conference, or in an interview, know your message, deliver it, and then move on. If you don’t, the difficult situation could become worse.
- ◆ BE BRIEF – Answers should be short, to the point, and colorful. Long answers are boring, difficult to follow, and you may offer the media more information that you want to.
- ◆ THINGS TO AVOID – Avoid dating your responses with words like tonight, tomorrow, and today. Try not to say “yes” or “no”. Don’t use slang or swear words or say “um”, “you know”, or “like”.
- ◆ INVENTORY OF STORIES – If you or your team wins a medal, then you can predict which questions you will be asked. There are many other issues and stories that will come up which you can relate to and have many great quotes ready.

- ◆ Send the member home at his or her own cost following expulsion from the Western Canada Summer Games either before or after the member's competition; and
- ◆ Prohibit the member from participating for Team Yukon at any future major games.

In applying sanctions, the Head Coach and Disciplinary Committee may have regard to the following aggravating or mitigating circumstances:

- ◆ The nature and severity of the infraction;
- ◆ Whether the infraction is the member's first offence or a repeat offence;
- ◆ The member's acknowledgement of responsibility;
- ◆ The member's extent of remorse;
- ◆ The age, maturity or experience of the member; and
- ◆ The member's prospects for rehabilitation.

In addition to the provisions of this Policy, officials of Team Yukon may contact local police concerning the behaviour of any Team Yukon member, if appropriate to do so. Also, a member may be subject to further disciplinary procedures by their YSGB or NSO, in addition to the disciplinary procedures set out in this Policy.

ROLES AND RESPONSIBILITIES

Head Coach, Managers & Support Staff

The Head Coach, Managers or Support staff are responsible for discipline for all minor infractions by athletes. The Head Coach will keep a written record of all minor infractions using report forms Appendix A & B in case there are repeated incidents that would warrant consideration as a major infraction.

Discipline Committee

The Discipline Committee is responsible for discipline for minor infractions by coaches, managers, support staff and mission staff and for all major infractions. The Discipline Committee is made up of three (3) individuals, one appointed by the Chef de Mission to serve as Chair, and two others appointed by the Chair. Members of the Discipline Committee will be free from bias or conflict of interest. Should any member of the Discipline Committee believe that he or she cannot act impartially, the Committee Chair will appoint another individual. If the Committee Chair expresses a conflict the Chef de Mission will appoint a new Committee Chair.

In cases where several individuals may be the subject of a disciplinary hearing, the Committee Chair may choose to deal with the individuals as a group or individually as he or she sees fit. Also, depending on the circumstances the Committee Chair may delegate to another member of mission

CODE OF CONDUCT

Member Advocates

A member who is the subject of a Discipline Committee hearing and/or an Appeal Committee hearing, has the right to be assisted by an Advocate of their choice or as provided by Team Yukon. The role of the Advocate is to inform the member about his/her rights, to provide support and, if requested, to participate with the member at the scheduled disciplinary hearing. Hearings will not be postponed or rescheduled to accommodate the Advocate, however the athlete could select a new advocate that can attend.

DISCIPLINE PROCEDURES

Minor Infractions

All minor infractions will be reported to the Head Coach, Manager or Support Staff. The Head Coach will decide on the appropriate disciplinary sanctions. Minor infractions, and corresponding sanctions, will be documented using the Infraction Report Form in Appendix A and the Disciplinary Decision Report Form in Appendix B, and a copy of these forms will be provided to Mission Staff and Chef de Mission.

If a person witnesses a minor infraction that is not otherwise reported to the Head Coach, the person should report the infraction to Mission Staff, who will deal with it informally or determine that it should be dealt with as a major infraction.

Major Infractions

Major infractions will be reported to any member of Mission Staff. The Mission Staff member will immediately report the infraction to the Chef de Mission using the Infraction Report Form in Appendix A. The Chef de Mission will then appoint the Discipline Committee Chair who will convene the Discipline Committee.

The Discipline Committee will:

- ◆ Dismiss the report if they considers it to be trivial or vexatious;
- ◆ Deal with the infraction informally as a minor infraction; or
- ◆ Deal with the infraction formally as a major infraction.

When a matter is referred to the Discipline Committee, the member will be advised, informed of the procedures of this policy and will be provided with an opportunity to secure an Advocate.

CODE OF CONDUCT

In carrying out these procedures, the Discipline Committee will ensure that procedural fairness is respected at all times. This means that the member is entitled to the following protections:

- ◆ The right to receive notice of the alleged violation;
- ◆ The right to receive notice of the time and place for the disciplinary hearing;
- ◆ The opportunity to be assisted at the hearing by an Advocate;
- ◆ Where the member is a minor, their parents or guardian will be notified and have the right to participate in the disciplinary hearing, either in person or by telephone conference;
- ◆ The right to address the Discipline Committee, call witnesses, present evidence and make argument;
- ◆ The right to choose to provide a written submission in lieu of participating in an oral hearing;
- ◆ The right to receive a timely written decision from the Discipline Committee, with reasons; and
- ◆ The right to know how to appeal the outcome, if the decision is against the member.

All decisions relating to Major Infractions will be documented on the Disciplinary Decision Report Form in Appendix B by the Chair. The written decision will be provided to the member and a copy will be provided to the Chef de Mission, the YSGB and the parents or guardians of the member. The chair of the Discipline Committee will implement the decision of the Discipline Committee.

APPEAL PROCEDURES

Team Yukon does not deal with appeals.

Any appeals from decisions made by the Discipline Committee are deferred to the Western Canada Summer Games Council using their Dispute Resolution Policy.

An appeal may be initiated by filing a 'Notice of appeal' to the Western Canada Summer Games Council Office within two hours of receiving the written decision of the Discipline Committee. If the written decision is reached after 10pm the 'Notice of appeal' must be submitted by 9am the following morning. There after appeals will be conducted in accordance with the Dispute Resolution Policy.
